Dear Sir:

**PETITION FOR CORRECTION OF INVENTORSHIP  
OF AN APPLICATION UNDER 37 CFR 1.48(a)**

This is a Petition for correction of error in a non-joinder of one inventor in the above patent application. It is respectfully requested that the United States Patent and Trademark Office amend the application to include Roderick Craig Mosely as a joint inventor. Please charge the fee of \$130.00 for this petition to Deposit Account No. 20-0782/AMAT/1931/MD/COMMON/KMT.

The omission of Mr. Mosely from the original Combined Declaration and Power of Attorney was inadvertent and occurred without deceptive intent. Mr. Mosely was listed on the original application cover sheet and transmittal letter. Additionally, Mr. Mosely executed the original Assignment and was listed on the Assignment Cover Sheet. A copy of the original Assignment and Cover Sheet are attached. Also enclosed under separate cover is a declaration executed by each actual inventor as required by 37 CFR § 1.63.

Since the omission of Mr. Mosely from the original Combined declaration and Power of Attorney was an obvious error, and furthermore, since Mr. Mosely executed the original

Assignment, the Applicants believe that neither a verified statement from the omitted inventor nor consent of the assignee are required in support of this Petition.

Respectfully submitted,

---
